

# Diabetes Products Holding the APMA Seal

Diabetes is a *Family* Affair

Up to 25 percent of people with diabetes will develop a foot ulcer in their lifetime. That's why special products designed specifically for people with diabetes, from socks to moisturizers, are so important. The American Podiatric Medical Association (APMA) has awarded its prestigious Seals of Acceptance and Approval to many of these foot care items. Listed below are just a few of the products available.

Additional information can be found at: [www.apma.org/seal](http://www.apma.org/seal).
